## WIRELESS TELECOMMUNICATIONS BUREAU SEEKS COMMENT ON ACA CONNECTS' REQUEST FOR STAY OF FINAL COST CATEGORY SCHEDULE AND LUMP SUM ELECTION PUBLIC NOTICE

GN Docket No. 18-122; IB Docket No. 20-205

**Oppositions Due: August 19, 2020**

With this Public Notice, the Wireless Telecommunications Bureau seeks comment on a request by ACA Connects – America's Cable Association (ACA Connects) that the Commission stay the deadline for earth station operators to make lump sum elections under the *Expanding Flexible Use of the 3.7 to 4.2 GHz Band Report and Order and Order of Proposed Modification*,<sup>1</sup> pending resolution of a concurrently filed Application for Review of the *Final Cost Category Public Notice* and any ensuing judicial review.<sup>2</sup> If the Commission does not grant a stay pending review, ACA Connects requests that the Commission grant a 14-day stay of the deadline, until September 14, to provide time for ACA Connects to seek a stay from the court of appeals.<sup>3</sup>

We seek comment on the issues raised by ACA Connects' request for stay.

The pleading cycle for requests for temporary relief specified by section 1.45(d) of the Commission's rules requires that oppositions to the request must be filed within seven days of the request's filing and forbids replies to oppositions.<sup>4</sup> We have determined, however, that a shorter time for the filing of oppositions is necessary in order to ensure that the Commission has adequate time to respond to the Stay Request in advance of the August 31 deadline for filing lump sum elections. Accordingly,
