Dear FCC 16-41

Please, please do not take RFD off TV.
It's one of my favorite channels I love all the shows on RFD. It's good family entainment. I enjoy farm shows because I grew up on a farm. Now days there is so much trash on TV.

So again don't take RFD off of TV. Please - Please.

Sincerely
Dorothy R. Schieltz

Sirs:

I support RFD-TV for its family-oriented programming; its news, and the many musical, and adult and senior entertainment offerings.

RFD-TV offers so many shows that are NOT AVAILABLE on any other station.

I ask you to allow RFD-TV to continue its choice programming.

Sincerely,

Dear FCC - 16-41

Do not allow RFD-TV to be removed from the air waves by bullies who want to dictate what we watch. There are so many CNN-etc programs, selling, preachers, self help etc on T.V. Why should the RFD-TV which is geared towards farmers, ranchers who are business people, it also helps FFA young people see what their future can be. These people are a large part of America. People need to know where their food comes from, (not the stores) its starting point. They work long hard hours, they deserve better.

There are enough other shows out there for people who live in big cities and don't think or care about other people.

It is not right when they drop RFD from the line up people pay for and tell people they still have to pay full price. If people want to change they have to pay $145.00 or more because their are breaking a contract. More bullying. Thank you for listening.

I am writing to ask you to please leave RFD channel on. I watch this on DirectTV. I enjoy all the music they have. I also listen to the farm reports and weather. Everyone needs to learn where the food they eat comes from.

Please don't let the giant companies take away RFD. channel.

thank you.
