Dear FCC, Proceeding 16-41

I watch RfdTV, on Direct TV ch. 345.
Without a doubt it is a channel
Worth Watching!
Along with PBS, RfdTV are the
two channels I go to first to watch.
not the other channels have programming
Worth Watching, in fact, one of the
top urban channels have only 1
program I watch once a week. That
channel might as well not exist!
Keep RfdTV one of the few
Channels Worth Watching!

Regarding Proceeding Number 16-41:
Please, please, please, Live and Let Live! Do not pull the plug on Independent Programing.

RFD is a great tool for connecting Urban and Rural people. The formats information and entertainment cannot be found on any other TV station.

RFD TV is a one of a kind broadcast station and is much enjoyed and appreciated by many including myself, family, friends and neighbors.

Thank you for consideration on this matter.

FCC PRECEEDING NUMBER 16-41

THIS DOCKET FILE COPY ORIGINAL YOU KNOW HOW UNHAPPY I AM WITH YOUR DECISION TO ARBITRALLY GET RID OF RFD-TV. IT IS ONE OF MY FAVORITE STATIONS, ESPECIALLY SATURDAY NIGHT. I LIVE ON A SMALL FARM, SO AGRICULTURE IS IMPORTANT TO ME. SOME OF YOU PEOPLE THINK FOOD IS SOMETHING YOU GET AT THE GROCERY STORE. WELL, HOW DO YOU THINK IT GOT THERE? I GET RFD ON DIRECT TV AND I WOULD LIKE IT TO BE HD.

THANK YOU FOR READING THE OPINION OF A FIESTY 80 YEAR FARM GAL.

Dear FCC, 1641

We are really glad that you stepped in to save RFD. TV. We live in rural South Dakota and listen to this station a lot. The issue 1641 was needed. We need all of these Independent stations. We also enjoyed the original Blue Highways. Wish it was back on. Again thank you for

Dear FCC 1641

I'm writing this letter to try to help RFD TV. I'm with Direct TV for about 2 years and I discovered the channel, and got hooked on it. I love the tractor auctions, equine shows, Mollie B. and Big Joes polka shows, the Trains & Locomotive shows, and your weather and news teams are great.
I watch your channel everday and really enjoy it

Good Luck RFD

Sincerely yours.

RFD 16-41
(Direct T.V)

is what I Have for my entertainment
I dont think RFD and independent
programming should be dropped.
I'm 89 years old and have
watched R.F.D for about 10 years
at least.

I'm from N. England (N.H) to
be exact and am
interested in things that go
on in our rural areas.
City folks never even think
of where there food comes
from. and I guess they dont
care.

Please think of your older
residents and some of our
grand kids

We have rural spots in
Florida - Rodeo, farming, F.F.A.
also the country typed music
& please reconsider
taking it away.

I have kids in N.H. Conn
and Colo who have Direct T.V
and enjoy R.F.D.

Thanks for your time

Dear Sirs:

I am writing in regard to Verizon (FiOS) dropping RFD from the air. It isn't right for them to do that to people. I have Direct TV, but Verizon has pestered me for years to go to them. Thank-goodness I didn't. I am a almost 76 year old widow with a special needs daughter (55) that loves RFD, & all their music shows. We watch a lot of shows on RFD. Please don't let all the channels drop RFD, & also the weather station. My late husband loved all the agriculture programs, & the music shows, too. A lot of senior citizens love to watch all the shows

(over)

that are good clean shows, not like most of the shows on regular stations.

Please keep RFD on the air for everyone.
