I'm writing on behalf of our favorite T.V. station R.F.D. I'm 91 yrs old and still farming 365 acres. I raise beef cattle. This station has a lot of good information for farmers. Beside a lot of good country music, which is my favorite. We watch R.F.D. on ~~First~~ T.V.

Please keep our station on the air for us, we would be lost without it.

To R.F.D.

I want to Thank you for R.F.D. still being on the T.V. That is the only channel I watch. If I couldn't get R.F.D. I wouldn't turn the T.V. on. I am 90 yrs. old. I enjoy most everything on R.F.D. I look forward to Sat. nights the programs are early at night and I watch it til 1:00 in the morning. Its not fair for Verizon to play these tricks when so many people enjoy R.F.D. Thank you Sincerely Wyona Halsey

Dear FCC 16-41

RFD TV is very wanted by rural and city people. There is lots of information like marketing news, yard and gardening helps.

Lots of good wholesome entertainment with no foul language or swearing.

We love Molly B Polka Party and Jimmy Sturr.

Appreciate Thanksgiving Parade and New Years Parade hosted by people who talk about the parade entries rather than themselves.

We are happy with Direct TV and appreciate them keeping RFD, but feel sorry for people who are losing it and for those having to pay extra packages

Keep independent channels on the air

Dear FCC - Proceeding # 16-41

I love RFD TV, please keep it on. There are very few stations left on T.V that a family can set down + watch together and enjoy it.

Most of the stations have dirty talk and are full of sex talk. Even food is compared to be sexy. Bring it back to where Desi + Lucy was not allowed to be in same bed they were in twin beds. We had morals then, where has it gone

I watch this program on Direct TV Ch 345 but would be very glad to change it if they don't listen to us senior citizens.

We very much want RFD to continue. We appreciate all the programs on RFD. We are older + have farmed all of our lives + really enjoy the farm reports, food related, etc. programs. Most of TV is not of much interest to the older generation. Keep up the good work of keeping RFD on.

To FCC - Notice of Inquiry 16-41

I am 87 yrs old and have farmed all my life. We have watched RFD-TV ever since it on the air. We had Direct TV first, then Dish for 7 or 8 years.

We have cattle and grain and are very interested in livestock markets besides the grain markets. This is the only farm related events on TV networks. We enjoy all country music programs.

We sincerely hope that FCC will see the need to keep this station on the air.

If not, we will probably not buy: subscribing to the cable network.

TO EVERYONE AT RFDTV:

WE STRONGLY OBJECT TO THE EFFORTS OF A FEW CONGLOMERATES TRYING TO ELIMINATE RURAL AND INDEPENDENT CHANNELS FROM T.V. OUR FAVORITES ON RFD ARE THE MUSIC PROGRAMS: HOWEVER, WE APPRECIATE THE OTHER "AMERICANA" (TRADITIONAL, AS RFD CALLS IT) PROGRAMS.

DOCKET FILE COPY ORIGINAL

THE PATRIOTIC AND AMERICAN MORAL PEOPLE IN THIS COUNTRY ARE SICK OF SOME OF THE IMMORAL AND TRASHY PROGRAMS SO PREVALENT ON T.V. NOW. THESE ARE THE TYPE WHICH ORGANIZATIONS LIKE "VERIZON" AND THE STATE OF "COLORADO" (FOR EXAMPLE) ARE PUSHING.

THESE CHANNELS ALSO INCLUDE NEWS, CHANNELS; SUCH AS FOX + GLENN BECK, ALSO RADIO TALK SHOW HOSTS WHO EXPOSE THE EFFORTS OF THOSE AT THE "TOP" TO DESTROY WHAT OUR COUNTRY WAS FOUNDED ON AND STANDS FOR!! (WHO ARE TRYING TO TURN THE U.S.A. INTO A COMMUNIST NATION.)

THANK YOU R.F.D.!!
