Dear FCC; 1641

Thank you for you time. I am writing to you to let you Know how much I watch and enjoy many of the shows on RFD TV. My husband and I have been in agriculture for over fifty years. We live out in the country in South Texas thirty miles from Mexico.

This is the only station that is based on agriculture; and with the Knowledge and growth of agriculture where would this world be?

Have you ever watched the FFA convention? It is the largest organization of youth in the world. RFD has the week long convention on each year and you can the greatness of our youth.

Dear FCC,

16-41

The RFD Channel is an important part of our Country's farming community. It encompasses many aspects; where our food sources actually come from; helps keep alive FFA which has been abolished in many U.S. school systems....this Country needs to get back to basics, and surely our farmers are the most important segment to keeping our Nation strong.
RFD brings forth solid programming, of which many other cable channels definately do not. Keep RFD on the air.
Fortunately, I have DISH NETWORK which carries the channel.

SINCERELY,

Richard A. Davis

We watch RFD-TV on Dish in Redland, Oregon
In response to a request for letters supporting this worthwhile channel we want you to know it is delightful!

As farmers we love to have RFD in our home; it gives us important lessons and information in crop production, animal husbandry, and land conservation. The training it provides in horsemanship is incalculable because of the safety around horses it teaches.

RFD helps close the chasm between rural + urban culture, Crucial for understanding and support of this industry which feeds Americans and populations worldwide. We have 4 generations in this household that watch RFD-TV.

I do NOT HAVE A COMPUTER

FINANCIALY I AM POOR with RFD-TV I AM RICH!
I CANNOT write fast enough to get this in the mail in time. I have worried about this for weeks. There are hundreds of thousands of people, like my neighbors and friends, who Love RFD-TV but will not bother to write. This is my first letter about standing my ground. My Cable Co Carries it but; I worry when will this disease spread. I was forced into retirement because of my health— missing the Horse world terriably- subscribed to TVG (Not to BET), and with it I got RFD-TV. I still watch TVG BUT RFD-TV has everything we needed in the horse world.

Dear F.C.C.

Preciding number "16-41"

Just wanted you to know how very important R.F.D.-TV is to us and other rural Americans. It is our main source for weather, ag. news + crop reports. It has a wealth of educational + entertaining programs.

The recent coverage of Joey + Rory Feek was outstanding. How else would we have known of this tragedy?

Why would anybody even consider denying people of such a valuable source of information + entertainment?

It has programs that anyone can watch. Some chanels have some "stuff" that most people would not want their children to watch or hear.

Without R.F.D.T.V. we would probably discontinue our satilite service with Direct T.V.

Please reconsider this outrageous decision to discontinue R.F.D. T.V.

Sincerely,

Please do not drop R.F.D. TV!!!
We watch R.F.D. TV 90% of the time.
If R.F.D. is dropped we will not spend
much of other TV channels.

R.F.D. is so special with all of the farm

is very important to the ranchers.

Please give this serious consideration
It enables us to keep up markets

To Patrick Gottsch (FCC) RFDTV

Regarding Independent programming for FCC and Peter Gottsch. Verizon wants to drop Independent programs. I was watching the town 96 all meeting for support for Independent programs to stay on TV.

First of all, Verizon does not have the right to take peoples rights to watch what they want. It's called freedom of choice. This country is founded on freedoms and liberties we as americans we all cherish alot of mens & women have fought and died for this country so that we can enjoy the freedoms and Liberties. Verizon shouldnt be allowed to take the freedoms of choices that people watch on TV. Verizon shouldnt get away with what they are doing.

I live in Pleasant Grove Utah. I receive 203 channel through Comcast. I watch 203 RFDTV continuously. I cant remember how many years. So many years, that I cant count!

DOCKET FILE COPY ORIGINAL

The programs I watch are the following:

Gaithers Gospel hour
Pop Goes the Country
Nashville on the Road
With Jim Ed Brown Host
Big Joes polka Show
Porter Wagner
Virginia Country show
from Harriesville Virginia
Larry's Diner
Marty Stuart
Hee Haw
Family Country Reunion
Prestley's Jubilee
Mollie B polka Show on
Saturday night and Wed
afternoon
Western Country

Once I ~~[illegible]~~ saw the funerals on RFDTV Channel 203 of Little Jimmy Dickens and George Jones. I love the Country Shows that Play tradional Country Songs that I grew up with from the fifties and beyond.

I am 79 and live alone. There are some people in my area of Pleasant Grove do not get Comcast. There are some people who dont get Comcast. Some get dish, Direct TV Service.

I support RFD TV very much. I'm lucky that I can watch Comcast through the TV channel.

I hope that Verizon can see the damage they are doing by dropping channels ~~that~~ that are Independent programmes There will be alot of people who will be disappointed that Verizon has taken their choice of programs people want to watch.

These comments are expressed by an avid RFDTV watcher. Maybe there could be ways for people who lost their Independant programs from Verizon can get them back.

I love RFDTV because they carry Western Country. I love David Church who dresses in a white suit and sing songs from Hank

Williams Sr and Terry Lee Goffey who dresses in Black and Sing ~~some~~ Songs from Johnny Cash. Becky Schegal and Naomi Bristow are great country singers too!

Most of those RFDTV are Very Patriatical and sing Patriatical Songs that honor America.

Thank you for all you are doing to get the word out about what Verizon is doing to drop Independent Programmers from their Customers TV shows. I will Continue watching RFDTV Country Shows as long as I can. I say forever.

The Independent programmers and RFDTV are the best shows Ever. I especially love the Country shows. I hope that I have helped the FCC with my Comments.

Good Luck
