Dear FCC,

Rural America needs your support of rural programing.

Direct V is presently providing the rural channel in our area and we depend on this for agricultural interest, information and entertainment such as music hobbies news etc.

I meet with seniors on a regular basis and we often discuss what we have learned and enjoyed on the rural RFD channel. Some have commented "Leave that channel on all day".

FFA - our nations largest youth organization is dependent on the channel to show activities at their National Convention and their home and school activities. It is truly an educational experience for young citizens of our country They represent our nations future.

PLEASE - Do what is possible to save rural programing

We [illegible] to educate our citizens and bridge the gap that now exists between the agricultural communities and others in our great nation.

To Whom It May Concern,

We are hearing that R Z Q is going to be taken off the air. It is our favorite station. We watch it all the time. We would be lost without it. Please don't take it off the air.

We enjoy all the musical shows especially. We are retired and get lots of enjoyment from R. Z. Q. Please don't take our enjoyment of TV away. It means a lot.

To the FCC,

I saw on the RFD-TV station, that you people are trying to shut down this station, and some of the other decent stations, too.

What is wrong with you people? Can't you stand to see us senior citizens be able to watch RFD-TV, and the other stations that have the decent programming, and not that awful trash on the other channels?

It is so disgraceful for you people to keep interfering, trying to take away the only decent entertainment us senior citizens enjoy.

I have three important words for you to pay attention to and take heed: KNOCK it OFF!

As dairy farmers our entire lives we feel it is important for people to know where their food comes from. It seems especially important since there are not many of us in the farming profession. Also, it seems you don't have to be a farmer to enjoy rodeos, cooking shows, showcasing the uniqueness of individual states, music, etc. all the other offerings of RFD. It seems our urban population takes for granted and does not appreciate our sacrifice and hard work to keep them informed and fed. We support and look forward to more offerings from RFD

Please help us save RFD TV on our cable channel or Direct TV. Many of us watch this channel most of the time. I have it on mostly for the country music shows. We can't get that on other channels.

Thank you.

We are writing this letter Concerning the RFD-TV station staying on the air.

We rely on RFD-TV station daily for market reports, weather, and just plain good entertainment.

When you sit down to a nice meal do you ever think about where the food comes from?

The station is a good education channel to educate City folk about how their food is raised. There are good programs addressing this very subject.

We hope and pray you will keep RFD-TV on the air for the good of all people.

HEBREWS 13:8

Dear F.C.C,

I am writing regarding the RFD station being taken off the TV - We have Dish Network & watch it regularly. I am 77 years old & enjoy [illegible] on R.F.D. TV. There are so many [illegible] that I do not watch because of the language & subject matter on these programs.

The only other chair are police stories with brutal deaths etc. So we are very much appreciative of the programming on RFD such as Larry's Country Diner & Country's Family Reunion & some of the house shows. We live in the country but do not have a farm but so enjoy the country life style. Please reconsider your plan to discontinue this station. It means so much to us.

Sincerely - Dee Weed.

To Whom It May Concern.

I never thought this would happen that we as cablevisers and TV watchers would have to turn off our TV's because there are very few programs worth our time to watch.

RFD is a great channel to watch because we as rural people and retired farmers know and like the programs that are shown on RFD.

As a a Verizon household I am sorry you feel you have to remove a clean channel from us. There are many many channels on cable & Satellite that are so vulgar we are wasting money by paying for them

What has happened to our self respect and Christian Values. We have at times just turned the TV off because there is nothing to watch. We will be very sorry to lose RFD.

We are not in politics nor are we rich we just like decent TV.

I've been watching you Cowboy singing for several months on RFD station & I hope & pray you will NOT cancel that show.

I enjoy it so much, as you sing the western song, just like

over

the western singing was in the 1940's – 1960s.

Because out here in the wide open spaces, we have to drive 70 miles + 250 miles to listen to the Old Good Cowboys when they were signing.

Thank you so much.

TO WHOM IT MAY CONCERN:

PLEASE DON'T TAKE AWAY RFD-TV!!!!

WE RELY ON THIS PREMIUM HOMETOWN AND COUNTRY CHANNEL FOR THE RURAL EVENING NEWS, MARKET REPORTS AND RODEO EVENTS. THE AGRICULTURE RELATED PROGRAMS ARE SO VERY INFORMATIVE AND THE MUSIC PROGRAMS ARE SO VERY ENTERTAINING! ESPECIALLY "HEE-HAW"!

IT IS IMPORTANT TO OUR FAMILY TO HAVE A CHANNEL THAT ANYONE OF ANY AGE CAN WATCH AT ANY TIME OF THE DAY AND HAVE CLEAN, WHOLESOME SHOWS TO SEE!!

RFD-TV IS THE MAIN REASON THAT WE HAVE DISH NETWORK.

Helping Our Heroes

(OVER)

WE COULD EASILY GET BY WITH THE OLD ANTENNA TO PULL IN THE FREE TELEVISION STATIONS IN OUR AREA. IF RFD-TV IS CANCELLED, WE MOST LIKELY WILL DROP DISH NETWORK. THERE IS NO POINT TO PAYING THEIR HIGH MONTHLY FEE TO HAVE ONLY OFFENSIVE PROGRAMMING ON MOST OF THEIR OTHER CHANNELS!

RFD-TV IS THE BEST THING THAT HAS HAPPENED TO TELEVISION IN A LONG, LONG TIME!

WE WANT OUR RFD-TV!!!!
