Dear FCC, Proceeding Number 16-41,

I watch RFD-TV on Dish Network. My family and I watch RFD-TV daily and many times of the day. The programs on RFD-TV are relevant to our family's way of making a living and our lifestyle. These programs vary from daily news and weather, educational programs and the entertainment programs of music which nourish our lives with the kind of music we enjoy.

RFD-TV is one the vary rare stations that provide decent programming that is family friendly. We don't have to be embarrassed by the programs and advertising with children present or adults, too, for that matter. We Love RFD-TV! It is top-notch!

RFD-TV is 90% of our TV viewing. Without RFD-TV, we would vary likely no longer need a television.

Thank you,

Susan Quade

To whom it may Concern. We have Charter Communication T.V. My husband & I grew up on farms. We love anything pertaing to the Country life. Anything to do with farms, horses, Cattle. Country music. I think it would be a shame to loose our shows older people love to watch. Please tell the big wigs to lay off our R & D. Shows. It would be un American to take them away from us older people.

Thank you

We support RFD-TV, It is important to us, we watch RFD TV more than any other network. As cattle producers the market reports and information is important to our business.

The Country music programs are great. The programs, Texas Country Reporter, Post-cards from Nebraska, California Bountiful and others are informative.

The horse training programs are helpful in training the horses we use on our ranch.

RFD-TV is a very important network to us. It is very important for the majority of the United States population to learn where their food comes from. They need to understand how important American agriculture is, without the American Farmer + Rancher, we'd be a hungry nation.

Please keep RFD-TV network going. We all need it.

Sincerely,

Jim + Judy Gragg

Dear Sirs:

Our family would urge RFD to stay on the air.

We would hope those against it would reconsider.

RFD has wholesome family programing. I can't say the same for much of the other programs.

For the betterment of our country RFD is working hard.

Keep it on the air.

Gentlemen,

This is in reference to FCC Proceeding Number 16-41. I am a seventy-three year old country girl who is managing a two hundred and twenty-eight acre farm here in rural Frederick County Maryland. My only means of obtaining television is from satellite through Direct-TV. I am a widow and been involved with the farm all my life.

Please do not discontinue RFD-TV. It provides the type of music I grew up listening to all my life. The programming is educational about farming practices and the market. It is also entertaining to watch barrel racing and rodeo events.

I have absolutely no interest in reality shows or programs that sell items. RFD-TV is some of the best television available.

Sincerely,

Dear FCC,

I watch RFD TV on DIRECTV channel #345. RFD TV is one of the only channels I actually watch. Its informative and educational. There are several great programs on RFD TV. I have considered turning off the satellite service. RFD TV is the main reason I keep it on. If RFD TV goes, so do I. Please keep RFD TV on.

Thank you,

DEAR F.C.C.: DOCKET FILE COPY ORIGINAL

PLEASE EXERCISE YOUR AUTHORITY TO STEP UP & PROTECT WHOLESOME PROGRAMS ON TELEVISION. DO WHATEVER IS POSSIBLE TO PREVENT VERIZON FROM REMOVING R.F.D. PROGRAMING ON THEIR PLAN. CONSIDER 16-41 PROCEEDINGS.

R.F.D. TV SERVES THOSE OF US WHO ARE ENGAGED IN AGRICULTURE AND THOSE WHO LIVE ALL OVER AMERICA'S HOUSEHOLDS, YOUNG & ELDERLY. THEIR PROGRAMS PROVIDE EXHIBITS OF WHOLESOME LIFESTYLES & ACTIVITIES. THEIR PROGRAMS ARE THE MOST POSITIVE & HONEST MORALY OF ALL T.V. PROGRAMS.

IF VERIZON REMOVES R.F.D. FROM THEIR PROGRAMING I WILL NO LONGER BE A VERIZON SUBSCRIBER. I SELECTED THEM AS MY PROVIDER BECAUSE THEY HAD R.F.D.

AMERICA NEEDS TO BE INFORMED AND EDUCATED ABOUT THE VALUES OF RURAL LIFE, ACTIVITIES & EXISTENCE. RFD DELIVERS THESE IDEAS IN A POSITIVE WAY. URBAN BASED COMPANIES SHOULD NOT HAVE THE POWER TO RESTRICT PROGRAMS THAT SERVE RURAL INTERESTS.

RESPECTFULLY YOURS,

AYL MILLER

Our favorite channel is RFDTV!
We live on a ranch in the Sandhills of Western Nebraska.
The programming on RFDTV deals with agriculture, cattle, horses, and weather reports, which are a great asset to our daily life.
Many other channels are so violent and unfit to view.
Since we are in our 70's, we thoroughly enjoy the great music programs and the older T.V. shows on RFD, and also the rodeos.

Dear FCC:

we are retired, rural farm, folks and support RFD-TV. These channels are our "go to" TV to watch. our entertainment is 85% movies, ranch and horse shows. The Branson & Nashville, Tn. shows are what we look forward to from Thurs. to Sun. The "mod" (off color shows) on network - we never watch. We don't have to explain the dirty scenes to our grand children - these are not on our RFD-TV channels, all programs are wholesome, moral, and positive to our life style, especially we enjoy the spiritual and gospel programs.

Don't let the garbage on network change our RFD-TV Channels 231 & 232

Sincerely,
John & Dorothy Dillard

Dear Patrick,

I am writing this to you as a confidential letter.

Every day I get letters in my mail box about what Obama is doing to destroy ~~the~~ DOCKET FILE COPY ORIGINAL as a free nation.

Obama ~~has~~ has the FCC, IRS, EPA under his control and has ordered them what he has told them to do. His desire is to have all Christian radio and TV stations removed from the air.

He is not a Christian. He is a Muslim. If you noticed he did not ~~and~~ attend the funeral of the supreme Court Judge that died. He has had several Military Chaplains Court marshall for ending a prayer in the name of Jesus Christ.

the military men and women are not to show that they have a Bible.
Just a few weeks ago a female Marine had a Bible verse taped to the wall where she worked. they tore it off of the wall, then court marshaled her and kicked her out of the military with no bentifits the same they have done with the military chaplains.
I am a retired Air Force TSGT and I get the Air Force Times paper each week and I see these things in that paper.
Obama was not born in the U.S. He was born in Kenya as a Muslem and he still holds to that. this is why you are having problems with RFD-TV.
I could go on for another 4 pages of the things he is doing.
I am a pastor of a Baptist Church here in Wauneta, NE. Many of the pastors sermons are being reviewed by the goverment the same way the military Chaplains are.

In refrence to your being back on the air —
My husband and I were so disappointed when you left the air. We contacted our T.V. Channel to complain about your off the air — We were told they had No Control over it.
The good news is: We accidentally ran across your return to the air couple weeks ago.
We are so Happy your back on the air.

Dear Sirs,

Although I have acess to many channels, I only choose the RFD-TV one.

It is the only one to have wholesome, informative and entertaining subjects, and material on any channel.

Just quit messing around and allow us to view our choice of wholesome, entertaining and informative programming.
