Dear Sirs:

I watch RDF-TV most every day! I live in a rural area in Minnesota. I have Dish Network and I use the programming and entertainment as my TV time! The programing on most of the other channels offends my version of what life is like. I do not like the use of slang language or suggestive acting or comments. I believe that there is too much vulgar language and programming on the other stations. There is no such language on the RDF TV channel and I hope it stays that way.

Please do not interupt the one channel that meets my choice of information and entertainment!

Sincerely:
William W. Feyo

I watch RFD-TV on Suddenlink

Please keep RFD TV on the air. I am a senior citizen who enjoys real "country" music. This seems to be the only channel I can receive it. There are many senior citizens, both rural + urban, who enjoy this channel.
It's time to stop interfering with RFD-TV!

Dear Sirs;

I am writing this letter to let you know how very much RFD-TV means to us. We are both senior citizens and this is the one channel that we listen to and enjoy everyday of our lives! In fact, we stepped up our channel coverage to include this channel after we learned from a friend that it was a superb channel for our education and pleasure. We deeply appreciate the fact that no obscene language or programs are ever broadcast on RFD-TV. We especially enjoy the musical programs broadcast weekly on this channel.

Our United States were founded on agriculture and we are still very dependant on the soil for our food and thus our existense. These programs are watched and enjoyed by our farmers and by those of us who grew up on farms. We picked cotton when we were young, so we can appreciate the modern equipment used in the farming industry today.

RFD-TV shows and promotes decency and other programs and stations promote indencency. Please, please, please do not remove RFD-TV from the air!

Thank you very much!

PROCEEDING NUMBER 16-41

I LIVE IN SOUTHEASTERN PENNSYLVANIA AND WATCH RFD-TV ON DIRECT-TV. MY FRIEND LIVES IN PHILADELPHIA AND HIS RFD-TV WAS TAKEN AWAY BY VERIZON FIOS AND WAS VERY DISAPPOINTED.

I HOPE THAT DOESN'T HAPPEN TO ME ON DIRECT-TV. HOPE YOU KEEP PRESSURE ON THE CARRIERS TO KEEP RFD-TV ON THEIR PROGRAMMING.

PROGRAMS I ENJOY ON RFD-TV ARE TRAINS AND LOCOMOTIVES, PRESLEY'S COUNTRY JUBILEE, MOLLIE B'S POLKA PARTY, CLASSIC TRACTOR FEVER AND OTHERS.

I AM 71 YEARS OLD AND DON'T HAVE THE INTERNET. THANK YOU FOR YOUR HELP.

SINCERLY,

Dear FCC, Proceeding Number 16-41

I watch RFD TV on Direct TV.
I live in a metropolitan area - Phoenix, Arizona -
and am part of a large equestrian owner
population in the United States.

RFD TV is the ONLY network that provides
equestrian based programs. Thus, the reason
I have Direct TV.

Just as important is the need to
maintain a connection and respect between
city and rural life styles.

Please support these vital and
unique networks.

"Dear FCC, Proceeding number 16-41" 3/25/2016

I watch RFD-TV on "DISH" satellite almost daily and am enjoying the "Larry's Country Diner" while typing this letter. I have enjoyed this programming since we have been able to watch the programs provided. We tune into a lot of the horseman related programs such as the cutting, reining, working cowhorse, episodes and have one of my favorites "Gentle Giants" programmed into the DVR. Every year we always watch the "Rose Bowl" parade on this network even though we are not able to enjoy HD picture as we enjoy the special time they devote to the horse entries. We enjoy so many of the programs provided by this network we enjoy the "Country Family Reunion" as well as all the other older country music programs. I have petitioned every time there has been the need to save this channel from being removed from the airways. I am hoping that there other families rallying together to save a network worth keeping as the programming is always family orientated. It is always a refreshing change from other networks with all their violent content.

Please consider all pleas to save this station from being removed it is a network well worth saving and enjoyed by thousands of families I am sure.

A faithful fan and watcher of RFD-TV:

Please do what you can to keep the independent programming available on TV for senior citizens, children, and everyone who appreciates the clean family oriented programs such as those on RFD-TV. My husband and I are in our 80's and we enjoy many of the RFD-TV. So many of them are interesting and informative. We like the music, shows like Texas Country Reporter, Somewhere West of Wall Street, Small Town Big Deal, Postcards from Nebraska, etc. I could name quite a few more. We watch probably 90% of RFD-TV as our T-V time. We appreciate being able to watch T-V without the smut that is becoming the NORM these days. Please think of those of us who LOVE RFD-TV
