I send to you my urgent request to retain RFDTV viewing on your television programming, including Larry's Country Diner. It is a refreshing and educational channel, available to young and older viewers.

Sincerely,

To Whom Ever,

I saw on my R.F.D. T-V Station that some one wants to take it off!! I can't believe that! There are so few stations and channels now, that actually have anything worth watching.

If you have no morals, there is plenty to watch. So PLEASE leave it on the air.

We all enjoy: Country Family Reunion, Ray Stevens, Marty Stewart, Hee Haw, anything about horses and all the rest, RFD has to offer. Even the polka dance shows!

So once again - Leave it on

Thank You

I love RFD-TV and do not want them to go away. I will leave Charter TV if this happens.

I own several TV and newspaper companies.
