To whom it may concern:

I am writing concerning removing R. F. D. from our cable company. I totally disagree as its a station that has alot of good programs on. I can't say that about so many of the other stations. In fact, many nights I can't find anything worth listening to except R. F. D. We don't need another sports station or whatever. As I look back, I can't believe how much T V has changed and not for the best. So please keep R. F. D. on.

Sincerely
M. Calstech

We watch RFD-TV on Dish and are in our mid-70's. The programs on RFD-TV are the most important programs that we enjoy. We live in a rural area on a farm, and RFD-TV is the most educational and entertaining programming on TV.

We will most likely be cancelling with DISH if RFD-TV is removed, and have a lot of friends and neighbors that have the same opinion.

Sincerely,

Please Keep RFD-TV on Cable - it is one of the decent stations we will watch. The others are getting so "dirty" - we turn off the TV. Please Keep decent programing on. Even the sophisticated people could learn something about what makes our country great - and where their food comes from.

I cannot tell you how much RFD TV has entertained me. I love most of the shows because of the music and the rodeos. One very important part is when I turn it on everybody has and keeps their clothes on. I really would appreciate you supporting rural TV. Thank You!

Dear FCC:

I'm sending this brief message off to you in reference to a bill & program, 16-41, which is meant to eliminate the RFD-TV network and all of it's agricultural programs. Clearly, this would be a total mistake by all TV and cable providers as it has it's own unique shows which otherwise would not be found anywhere else. Should you need anything more from myself, contact info is listed below. Many thanks.

Dear Sirs

I'm quite concerned about the possibility of discontinuing of RFD-TV We have only had DISH here than a year and we love that program of rural America we watch many of the programs daily. Its very good informative, clean, not wild, riotious killings, shootings. Family friendly.

Please allow this rural and senior programming to stay on.

Dear FCC,

We are Mr. and Mrs. Joseph Conigliaro, We live in Rural Pa. Joe is 92 yrs old and I am 83. He likes all the music and dancing on RFD. The shows on the regular channels are not good for him because his hearing and eyes are getting pretty bad. We have a satelite, Directv, we can not get cable, and we sure do hope that F.C.C can stop the cable compan from blocking the RFD channel for the sake of everybody in the rural areas.

We were saddened to hear of the passing of Joey Feek. They were a very loving couple; you could see it the way they looked at each other.

YOU WILL KNOW HOW MUCH "RFD" MEANS TO US, WHEN YOU REACH AGE 69! I WILL BE 86 ON JUNE 18, 2016 AND "RFD" IS ON OVER HALF MY TV TIME. THE MUSIC, SHOWS, ANOUNCEMENTS, INFORMATION ALL MEAN A QUIET, SMOOTH TIME TO ME. RODEOS OF BULL RIDING, BRONK RIDING, TEAM ROPING; COULD HAVE LESS BARREL RIDES.

KEEP "RFD" ON ALL CABLE STATIONS, WE "OLDER FOLKS" DO MORE TV - PLEASE THINK OF US!!

THANK YOU!

Dear FCC

I am writing in regard to the attempt by large TV broadcasting companies to drop the smaller independents who give up good rural programming. My husband and I depend on the RFD channel for information, news and entertainment. We watch most of the music programs, weather & news. It would be a sad days if we could no longer have the rural channels available. We are elderly and dont get out much so depend on the TV for information and entertainment. We sincerely hope you can keep it coming.

Dear Sirs To FCC

I am an elderly person and enjoy Country Music and RFD brings that to me and I listen as often as I can.

No other station as what we want. Some of the Cannles have movies over and over again. Some have commercials 10 at a break I counted them. We pay for satlite because we live in the Contry. We has Directv by an ariel. So we pay extra to get the stations we want.

Stop fulling around

My husband and I would like to request that you do whatever to keep RFD-TV on the air for us in Jacksonville Florida. It is our Saturday night entertainment plus many other programs. We are in our 80's and were brought up in a rural life style even though we only have chickens now.

Dear FCC 16-41 3-28-16

with great respect, I ask you, Please do not take RFD TV off the air. I am a 78 year old woman, my husband is 90 years old man. We love the country shows and good old country music RFD TV has on, on the week-end. Marty Stewart Show, Misivest country, Porter Wagener, Ray Stevens, Cumberland Hilanders show, Bluegrass, and so much, much, more.

We went to Nashville, TN once to the Grand Ole Opery. It was great, RFD TV brings the stars, and music, good shows back to us, and we look forward to it on the week-ends.

DOCKET FILE COPY ORIGINAL

My Daughter comes over a lot on the week-end to watch RFD TV on the week end, with us. It is kind of like going to the Grand Ole Opary again. Good old Nashville country music and seeing all the stars on TV really brings much joy to our hearts. Please, if you will, do not ~~th~~ take this good time in our life away.

It's almost like taking good lyrics out of good old country music.

Please, do not take that away from old poor folks.

Thank you,

Clarence Calhoun
