This is a plea asking you to please keep RFD on the air.

We are 88 and 90 years old and we depend on RFD TV for much of our entertainment. On account of aging and health problems we are pretty much con[illegible] RFD TV not only keeps us entertained but it also keeps our minds busy.

We try to remember the names of the entertainers as well as the lyrics of the songs that we grew up with.

To Whom It May Concern:

I am writing to let you know how important it is to leave RFD TV on the air.

We have many stations to watch but 75-80% of the time we have the RFD TV station on.

We are farmers so it is important to have the farm shows + shows pertaining to farm life on. We, also, watch + enjoy the music shows, the religious shows, Hee Haw, Polka shows, and the many others we enjoy.

My husband + I are in our eighties so we don't get out to movies or social

DEAR FCC MEMBERS 1641

WE ARE DISH T.V. CUSTOMERS AND WE WANT TO BE ABLE TO KEEP RFD TV. BECAUSE WE ARE COUNTRY FOLKS THRU AND THRU. THE PROGRAMMING ON RFD TV IS VERY INFORMATIVE. IT TELLS US HOW TO PLANT CROPS, GARDENS, SHRUBS, TREES, AND HOW TO BE SO IF WE WOULD HAVE TO BE. ALL OF RFD'S PROGRAMMING IS FAMILY ORIENTED. WE ESPECIALLY LIKE THE COUNTRY MUSIC, "GOSPEL MUSIC" AND THE CHRISTIAN PROGRAMMING, ALSO WE LIKE THE FARM ANIMALS, AND THE MACHINERY AUTIONS OF OLD RESTORED TRACTORS THAT WERE POPULAR WHEN WE WERE GROWING UP. MY WIFE AND I ARE BOTH IN OUR SEVENTIES.

SO MANY OF THE OTHER CHANNELS ARE WHAT I CALL SMUT CHANNELS, SUCH AS HOW TO GET AWAY WITH MURDER, →

PRACTICALLY BARE NAKED WOMEN, MEN MARRYING MEN, WOMEN MARRYING WOMEN WHICH ACCORDING TO THE BIBLE IS AN ABOMINATION. WE HAVE ENOUGH OF THESE KINDS OF PROGRAMMING, SURELY THERE IS ROOM FOR ONE WHOLESOME CHANNEL ON CABLE AND SATELITE T.V.

Dear FCC, 1641

We are writing concerning RFD T.V. We watch several programs on RFD T.V. We (our family) enjoys all the country music shows. My husband watches all the train shows. We enjoy this station because it has good clean shows for the family. Plus no nasty commercials. We are asking please don't let this be taken off the air. If it is taken off we may consider dropping direct T.V.

One of the reasons we took the plan we have was to be able to get stuff on country living.

March 20-2016.

Hi everyone,

I wanted to tell you all what RFD means to me. I just love to watch it. I look foreward to watch it each week. I'm a 76 year old widow & The TV keeps me company. The programs are real good.

To start with I watch 1 program on Thursday for 1 hour, and 2 programs on Friday for 1½ hours and 1½ hours on Saterday and 4 more hours later on in the day. Then on Sunday 1 hour that morning and 3 more hours that evening just to name a few. If that chanel is taken off of the TV, would make me very lonely. Bill Gaither & He Haws is 2 of my favorites. I'm sure a lot more people around here likes some of the programs I like & I hope they write also. I hope & pray that RFD stays on. I have 2 dead husbands. Well I'll close for now!

Thanks,

Mrs. Alice De Board.

To Whom It May Concern

Very seldom do I come forward to express my views, but I feel this matter too important to overlook.

This is in regard to the threat of deleting the RFD TV channel on cable. You surely do not realize how much this programming means to we older and also many average middle class, hard working people.

Where else can we find good country music, gospel music and good decent programs? Also good informative programs. I live in this small town of Clarinda, Iowa, and so many enjoy →

RFD on Mediacom Cable.

Please think of we regular and older people who need and enjoy what RFD has to offer us and please reconsider your decision. It is so important to each one of us.

Thank you for listening, and please think of we down-to-earth people, and make the right decision, in our favor, to keep RFD on cable. It is so important to us.

Yours truly,
Gloria Pullen

FCC — 1641

Our family has always been farmers and Cattlemen so we depend on RFD TV for a lot of good information and some great entertainment. There aren't many things on T.V. that we can enjoy as a family anymore but RFD always has something that we enjoy especially the good music shows. We are suprised sometimes because our great grandchildren like to watch Hee Haw and the old country music shows. Please if there is any way possible keep the Rural shows on for a lot of us that enjoy them and don't feel embarrassed to watch it with the entire family. So we appreciate all you can do to keep it on the air. Thank you

Dear RFD T.V.

Please let the FCC know that we hope they will let you stay on T.V. & not let anyone else take your place on Dish 331. We & alot of older people that don't get out much enjoy the good country, Blue Grass music. Even some young like it also. Nothing like the good down to earth singing & playing that many grew up on. I appreciate it & hope you keep up the good work. Thank You, God Bless,

To whom this applies to!

Please - Please don't stop supporting RFD TV - It is the best station on TV - I watch it 70 Pct of the time I have my TV on - programs such as: Larry Country Diner, Bill Gaither, The Presley, Marty Stuart, Family Reunion, The Dailey + Vincent Show, even Hee Haw - We used to love, when we were in Nashville + Branson to watch RFD TV + was elated when we could finally get it in Michigan. I watch it on Charter - Channel 122 -

We need Independent TV - do not stop broadcasting - it is the greatest.

We don't have much control over anything anymore, the Government seems to think they know what we want + need - they are wrong.

Please don't take that from us.

FCC 1641 —

Evidentialy FCC does not go to the grocery stores — if they did, they would know our U.S.A. depends on our farmers hard work + success — And RFD CABLE, which our family gets through DISH Cable. Through its many programs it offers farmers support and entertainment after a hard days work, plus programs which inspire them to keep their faith in God, who is really responsible for providing the food he has
