I'm asking for your not to take
RFD TV off the air.
I'm asking for my sister, who's
in LTC, she watches it as much
as I do. My son loves Mark
Stewart & Porter Wagoner.
On Sat, nite I watch Ronnie Reno who
comes on at 6p & I watch right up to
1A. This about the only entertainment
I have. Makes me feel good.

FCC

Please keep RFD-TV on-
The only reason I don't just have regular TV is RFD - I have to keep a package to get it - Its not anything on TV worth looking at except something that was made in the 50's - The only thing I watch is the news on regular channels - I love all the old country music - I can't understand the words on the new songs of country music cause they are all so fast. If RFD goes off my cable goes off cause it would be no need to keep it - I get more than enough news in the newspaper

Proceeding No: 16-41

Dear FCC
To Whom it may concern:

I am writing this letter to ask you to please consider keeping RFD-TV on the air. My family + I love this station + enjoy it through Directv.

I feel there are plenty of other stations for people to watch, so why would you allow RFD-TV to be dropped?

Please do not allow them to direct all of our viewing to what they want us to watch. We thoroughly enjoy RFD-TV.

Thank you for this consideration.

Sincerely,
(Mrs) Vera J. Klavzar

To FCC.

Please, Please stop the cable companies from dropping the valuable rural chanels

DOCKET FILE COPY ORIGINAL

they provide a much needed and appreciated source of information, entertainment and companionship to a large population who are frankly bored with the big chanels.

We are fortunate to have Dish and RFD chanel 231 which we have tuned in at least 3 hours a day

and always all of Saturday and Saturday night for the wonderful music programs. It is the highlight of the T.V. week around this house.

Dear Sir

I request that you use your regulatory power to keep RFD-TV on all cable systems for these reasons:

1. Rural audiences are a large part of US population
2. Many suburban and urban viewers came to cities to work and still enjoy the rural lifestyle from which they came.
3. In America, all people are guaranteed the right of free enterprise. Therefore RFD should be on all cable or satellite franchises.

Sincerely,
Joseph E. Wells Jr

Dear FCC people
What can a person
say? I'm at the present
time watching Nollie B
Old time music. Earlier I
had Marty Stewart show
on. I don't live on a farm
right now but my husband
works on a farm in the
spring and fall. When I
was younger I lived on
the farm. Farmers are
important. I certainly
hope I'll be able to continue
to hear RFD from Branson
Missouri. I specially have →
