Dear RFD,

I can't believe the FCC wants to take this program off the air. We need more family programs on TV. I'm so thankful this one is on the air because children can watch with the family and everyone can enjoy it.

We love the Country Music, Larry's Dinner and Country Reunion and lots more.

We don't like Nicked & afraid and all the violent pro[illegible] not for the family

I know you'll must have kids ~~surely~~ surely you don't let them watch all of that on TV. Please don't take RFD off the air. We love it.

Thanks,

Mr + Mrs. Roy W Edwards

Please keep RFD TV on the air. It is a wonderful family station that our family really enjoys. The variety of shows is great. We especially like the Cumberland Highlanders show. The Bluegrass show is outstanding.

We also like Daily + Vincent's show. The music is great and they always have various stars on their show.

Please keep our favorite show on the air. The shows are for all ages. Good clean entertainment. Where else can you find quality programs like that,

Thank you

Dear FCC (641)

My name is Monnie Smith and I'm 82 years old. I live in Farber, Missouri. I watch RFD on Dish Network and enjoy the programs very much, in fact, it's the channel I watch most of the time my TV is on. I hope RFD is not taken off.

Comes along - get rid of it.

There is so little programming that is wholesome and worth watching. I cringe when I hear kids talking about some of the things they see.

Keep RFD-TV on the air.

Please keep RFD-TV on the air!

It is a welcome change from all the "crud" that is on the mainstream networks and especially some of the cable shows!!! It is no wonder that our country is going down the "slippery slope" morally. It seems like it (TV) competes to see how depraved some of the shows become - and when a decent network

Dear Sir: 1641

In regard to RFD.TV:

Being raised and lived on a farm most of my life, 84 yrs old, we, my husband and my self enjoy RFD and listen to it more than any other. Please do all u can to keep the station as it is. Dear Sirs,

I'm writing from a little town in Minn. asking you to please keep RFD on the air for us. We are elderly and it's our main form of entertainment for us and many others. We love the good, clean & memory laden programs. There is enough of the sexual, scantily dressed programs, also tacky!

Thanks for listening!

Please

Dear Sirs. 1641

Please, please don't take off R.F.D. It is my favorite Channel. In fact if I didn't have that I wouldn't care about T.V. at all. I here is four nights of Country music.

I'm not a Farmer but they need it also.

This is my second letter.

We love RFDTV station. We like all the programs: the farming, agriculture, rodeos, etc. & we have our TV on the weekends on this station. We love Family Reunion, Marty Stuart, Midwest Country, Jacy & Rory, (so sad about Jacy) - love that show. All the shows on the weekend we wouldn't miss, Molly B & Jimmy Starr are great shows as is Ray Stephens, etc.

I & my husband thoroughly enjoy this RFDTV - & would be lost without it.

Please do not take this show-off - this is the most watched station for us! Sincerely,

Jack & Marlene Wilcox

We are a couple in our 80's and receive our T.V. from Dish network

We are asking that you not even consider removing R.F.D. from your programing! It is favorite of ours and for many people. We receive a number of channels we never watch! We also love History, true, travel but RFD has some programs from the past some current, happy (polka etc) Again please leave RFD on!
