Re: Northpoint Technology's **Notice of Ex Parte Presentation** Meeting Regarding ET Docket No. 98-206, RM-9147, RM-9245

Dear Ms. Salas:

Northpoint Technology Ltd. ("Northpoint") hereby submits for filing in the above-referenced docket its notice of a meeting on April 16, 1999. Sophia Collier and Katherine Reynolds of Northpoint, Antoinette Cook Bush of Skadden, Arps, Slate, Meagher & Flom LLP and Nelson Diaz met with Commissioner Gloria Tristani and Karen Gulick of Commissioner Tristani's office, to discuss the above-referenced Rulemaking proceeding, Northpoint's pending license applications and Northpoint's experimental license (FCC call sign WA2XMY).

Ms. Collier presented background information on Northpoint, described the successful testing of the experimental system, and discussed Northpoint's ability to share with both DBS and NGSO satellite systems. In addition, Mr. Diaz and Ms. Collier urged the FCC to move expeditiously by granting Northpoint's and its BroadwaveUSA affiliates' pending license applications.

In accordance with Section 1.1206 of the Commission's Rules, the original and one copy of this notice are being filed with the Secretary, and an additional copy is being served on all parties involved.
