Market No. 491(A), Minnesota 10 - LeSueur RSA,
Transmission of E-911 Calls from TTY Devices.

Second Quarterly Report

Dear Ms. Salas:

On behalf of Minnesota Southern Wireless Company and Minnesota Southern Cellular Telephone Company and pursuant to the directive contained in the Commission's Fourth Report and Order (CC Docket No. 94-102), FCC 00-436, released December 14, 2000, we are transmitting herewith the original and four copies of their joint "Second Quarterly Report" concerning TTY-digital deployment.

Please refer any inquiries or correspondence in connection with this matter to our offices.

Very truly yours,

Robert M. Jackson

Transmission of E-911 Calls from TTY Devices.

Second Quarterly Report

Dear Ms. Salas:

This report is filed pursuant to the directive contained in the Commission's Fourth Report and Order (CC Docket No. 94-102), FCC 00-436, released December 14, 2000 ("the Fourth R&O").

The Commission has requested that the reports contain the information specified in Paragraph No. 17 of the Fourth R&O, but allows the carriers to report in conjunction with the TTY Forum. See Fourth R&O, Paragraph Nos. 15 and 16. The information outlined in Paragraph No. 17 of the Fourth R&O is of a type that is not presently available to us, and would instead be within the province of the equipment manufacturers and the TTY Forum. Therefore, we hereby join in the quarterly report being submitted by the TTY Forum.

We are a small carrier serving a predominately rural area, we lack any influence over the research and development activities of equipment manufacturers, and will rely upon the equipment manufacturers to install (on a turnkey basis) the equipment necessary to allow the digital wireless portion of our system to process E-911 calls originating from Text Telephone ("TTY") devices. As we have advised the Commission in the past, we intend to obtain and install the necessary equipment once it becomes available from our equipment vendor.

Very truly yours,
Minnesota Southern Wireless
Company & Minnesota Southern
Cellular Telephone Company
