Re CG Docket #02-278

I am in favor of a national do-not-call list for Telemarketers.

I do not take calls from any Telemarketers and hang up on them.

It would difficult for me to notify every one of them not-to-call me again. They don't always listen & I can't always understand them

I'm 87 yrs of age with health problems & I hate jumping up to answer the phone only to have a Telemarketer giving me a sales pitch

Sincerely

TO WHOM IT MAY CONCERN, I AM TOTALY AGAINST TELEMARKING AND TELEMARKETERS. THEY CALL ANY TIME OF DAY OR NITE, UNWANTED, NEED I SAY AND ALWAYS AT SUPPER TIME. I LIVE ALONE, AM 67 YEARS OLD, AND DO NOT WANT TO BUY ANYTHING OVER THE PHONE.

I CONSIDER TELEMARKETING AN INTRUSION INTO MY LIFE THAT I DID NOT ASK FOR AND DO NOT WANT

IF THERE IS ANY WAY TO STOP IT, PLEASE DO IT!!

telemarkes -

telemarkes are the [illegible] of the telephone industry. We pay our phone bill for our use not for the selling of other people to pester us night & day with their speech. I've never heard one yet give the name of the company & telephone number who they work for upon my picking up the phone. & these machine calls keep after your number & no one is there when you answer. Keep advertising off the phone this include everyone - politicians - poll takers "free gift for you" - Everyone.
