Dear Commissioners:

Please do not loosen or do away with the limit on the number of media outlets that one company can own.

Virtually all media outlets (TV, radio, newspapers, magazines & book publishers) in this country are in the hands of a few people and businesses. As a result the citizens of our land receive a most distorted and manipulated version of events than the peoples of many nations.

An uninformed citizenry is a dangerous thing!

Please tighten the regulations rather than relaxing them!

Yours truly,

John E. Catlett Jr.

Dear Commissioners:

I am opposed to all Plans to loosen Current ownership restrictions. Urge the Commissioners to tighten Current standards and restrict the growth of the Media Monopoly in America. It appears to be Pretty Much Controlled as it is. If it gets Much worse I can throw out all my T.V. I am really to busy as is to listen to it.

Thank You

Sincerely Yours

Dale Weiss
