The reasons against handing all media control ~~of~~ over to Media giants to consolidate seems very obvious. This will result in less decisions over a democracy of many people and lay our Media at a few large Corporate heads to make our decisions. I haven't seen this covered by major stations on tv, else where by the newspapers, it hasn't been prominently debated. Let's at least give the public a chance to be heard.

THE ICE HOUSE

More owners mean a healthy diversity of media, less owners very little options. Don't let our media become an unfair monster of a few corporations. Promote ownership amongst many people! Give us a right to know & be known.

Keep regulations (of ownership division) over media ownership.

God bless,
