ERRATA TO FORM 505 AND TO
STATEMENT OPPOSING SERVED-TO-UNSERVED CHALLENGES
FILED BY
FAIRPOINT COMMUNICATIONS AND CENTURYLINK

Jade Communications, LLC, by its attorney, hereby submits reformatted versions of the documents originally filed in the referenced proceeding on November 10, 2014. This morning counsel noticed that the ECFS did not convert the documents in a manner which enabled the public to view the entire filing. The Form 505 excel spreadsheet originally filed on November 10, 2014 has been converted to a PDF and resubmitted without any other changes. The Statement Opposing Served-to-Unserved Challenges was originally filed as a PDF. However, the PDF pages which comprised Exhibits 2 & 3 had some feature which apparently prevented those pages from being printed to PDF which resulted in an incomplete conversion process. To remove whatever feature was causing the conversion problem undersigned counsel: 1) converted Exhibits 2 & 3 to Power Point files; 2) printed those Power Point files to PDF; 3) reassembled the components of the Statement; and 4) resubmitted the Statement without any other changes. That seems to have removed the conversion glitch. It is respectfully submitted that good cause has been shown for acceptance of the instant errata.

Respectfully submitted,
JADE COMMUNICATIONS, LLC
