RE: Contract date for rollover on erate 471

Hello,

We were attempting to have our 471, #181040146 with two FRN's, 1899077951 and 1899078455, approved, however when we used our 2016 470, 160037612 from 2016, we attached the wrong contract with the rollover dates. I thought we had attached the correct contract upon a USAC appeal process but I was wrong.

With that in mind, please review the revised FCDL letter along with the denials, and review the enclosed 2016 correct contract that plainly states the correct dates with correct rollovers.

If you have any questions, please feel free to contact me at your convenience.

Sincerely,
