MARTHA STEWART everyday

The stuff of life...

ON FRONT: **First Snowfall ornaments, beaded garland, tree skirt, and gift wrap.** **First Snowfall** celebrates the wonder of newly fallen snow. Cozy knit stockings and snowflake ornaments recall the beauty of a snowy holiday. And you can enjoy the snowflake-patterned mantel cover as you warm yourself by the fire.

Dear Chairman Powell:

My haven't the stubborn, if not our right insane, television folks put us all through the hoops.

In any case, I wish you and your staff a very Merry Christmas and a quite Happy New Year.

Sincerely,

Paul A. Strapac
