Dear Sirs:

I am writing to you about the move to lift the ban on cross-ownership of media. I am totally opposed to lifting this ban!

Too many people with power and money want to gain more power and money with no regard to the rest of us.

This country, under the constitution, has freedom of speech, of the press and many other freedoms. We need to keep these precious freedoms.

Please don't cave in to the special interests of people who want to destroy these freedoms!

Sincerely,
Olive Braley
