To Federal Communications Commission

We support Qwest to enter the Long distance market.

Please Consider "Yes" Vote. We (Edward + Helen)

Consumers Need To have a Choice Long distance. Would Save money.

Other Country have enJoyed real Choice why Not minneSota-

Why Not Have the "Whole" United States Have the (Same.) Why Do (you) Choice To Treat Each State as a different Country. Not as a whole. One united State.! Need Treat all Stats equal.

Lot of other things Cross The State line Different Laws Like going To different Country. This Vote Would Be Step make ALL States Same why Treat one over the Other.

We Would Like To have a Choice Like Others Please
