My name is Magdalia Gomes
and I work at Teleperformance
USA that is located at 470 W.
95th Street. My job title is
Quality assurance Rep. (QA).
I like my job ~~because~~ I think
that the products we sell is
good. My job is to make sure
that the TSR's are making
legitimate sales. I under stand
that people do not want to be

them because they are just doing their job. This job is important to me because I am a single [illegible] who has a eight year [illegible] support, I also have a car that I am still paying on, and rent as well as other bills. Jobs nowadays are hard to find. If I lose my job it will be a huge impact on me and my son. I do oppose the natural DNC and support the telepersonance USA and telemarketing association. Like I said before this job is important to me and to the other people who work in this field. There's got to be another way. We all need our jobs.

Thank you,
