2 *See* 47 U.S.C. § 214(a).

3 As required by Section 63.71(a) of the Commission's Rules, Madison County has notified and submitted a copy of this Application concurrent with this filing to the Arkansas Public Service Commission, the Governor of Arkansas, and the Secretary of the Department of Defense.

B. Date of Planned Service Discontinuance

Madison County will discontinue Busy Line Verification and Busy Interrupt services to its customers in the state of Arkansas on or after May 2, 2016, upon completion of all necessary federal and state regulatory approvals.

C. Points of Geographic Areas of Service Affected

Affected Madison County local exchange customers are in the Company's service area which is located in northwest Arkansas and includes the exchanges of Aurora, Forum, Huntsville and Kingston located in the County of Madison.

D. Brief Description of the Types of Service Affected

In the areas referenced above, Madison County provides the following services which will be discontinued (collectively, "Affected Services"):

- Busy Line Verification – An operator service allowing the operator to confirm when a line is idle or in use.
- Busy Interrupt – An operator service allowing the operator to break into a conversation when a line is in use.

This discontinuance is limited to the Affected Services. Customers will continue to have access to all other current services without interruption.

II. Brief Description of the Dates and Methods of Notice to All Affected Customers

Notices were sent to all of Madison County's local exchange customers as a bill insert by method of U.S. Mail on February 1, 2016. Please reference Exhibit A which is a sample copy of the Notice sent to the affected customers. Madison County deemed the bill insert the most economic method of reaching its rural customers and printed the insert on distinctly colored paper to distinguish it from the billing statement and bring sufficient attention to the Notice.

III. Status of Carrier

Madison County is an incumbent local exchange carrier and considered a dominant carrier with respect to the services that it proposes to discontinue in the state of Arkansas.

IV. Circumstances of Discontinuance

The Company's discontinuance of the Affected Services was a business decision based on a lack of customer demand for the service. In the preceding 12 months, the Company has had no instances of usage for the Affected Services. Therefore, the discontinuance of these services will not adversely affect the Company's customers.

V. Certification

On behalf of Madison County Telephone Company, I, the undersigned President, Joe Shrum, hereby certify that the statements contained herein are true, complete and correct to the best of my knowledge and made in good faith.

VI. Conclusion

For the reasons stated herein, the Company respectfully requests grant of this Application.

Respectfully Submitted,

Joe Shrum, President

CUSTOMER NOTICE

February 1, 2016

RE: FCC-Required Notice of Discontinuance of Certain Operator Services

Dear Valued Customer:

This letter is to inform you that on or after May 2, 2016, Madison County Telephone Company ("Madison County") will no longer be providing certain operator services within the state of Arkansas. Customers who attempt to utilize the discontinued services will be informed by the operator that the service is not available. Specifically, the following operator services will be discontinued.

- Busy Line Verification – An operator service allowing the operator to confirm when a line is idle or in use.
- Busy Interrupt – An operator service allowing the operator to break into a conversation when a line is in use.

This discontinuance is limited to the above operator services and will not affect your Madison County service in any other way. Customers will continue to access general operator services, including operator assisted dialing, handling sent-paid calls, handling emergency calls and providing rate quotes where available.

The FCC will normally authorize this proposed discontinuance of service unless it is shown that customers would be unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity is otherwise adversely affected. If you wish to object, you should file your comments as soon as possible, but no later than 30 days after the Commission releases public notice of the proposed discontinuance. You may file your comments electronically through the FCC's Electronic Comment Filing System using the docket number established in the Commission's public notice for this proceeding, or you may address them to the Federal Communications Commission, Wireline Competition Bureau, Competition Policy Division, Washington, DC 20554, and include in your comments a reference to the §63.71 Application of Madison County Telephone Company. Comments should include specific information about the impact of this proposed discontinuance upon you or your company, including any inability to acquire reasonable substitute service.

If you have any questions about this notice or Madison County's discontinuance of the aforementioned operator services, please contact us at 113 Court Street, Huntsville, AR 72740 or by phone at (479) 738-2121.

We thank you for your business and look forward to continuing to serve your communications needs.

Sincerely,

Madison County Telephone Company
