Dear Commissioner Copps,

Having seen you on Nov. with Bill Moyers, I feel I can [illegible] you.

Sketch a degree in broadcasting. I was taught that public affairs programming, along with news (local especially) influenced public opinion. And a diversity of news presentation was an essential ingredient of our democracy! Needless to say, I am not in favor of further consolidation of media ownership! (Do we no longer have laws to prevent monopolies?)

I enjoyed many years working in radio and TV and am now retired. I doubt I would enjoy it as much today. [illegible] show business years that [illegible] to the community, and [illegible] was [illegible] by the FCC!! (Have FCC commissioners always been brought?)

Sincerely,

[illegible] Eaton

Mr Michael Powell: Dear Sir: 02-277

Before you and your Committee make decisions to open up the entire on Communications, I suggest you read the Autobiography of Mr Robert E. Lee — once head of the F.C.C.

I am my perspective, loosening the rules will only allow the wealthy greater control, pushing out those who give us alternatives to communications. Thank you!

IT IS OUTRAGEOUS THAT YOU ARE CONSIDERING CHANGING THE LAWS TO ALLOW CORPORATIONS TO OWN EVEN MORE MEDIA OUTLETS ARE YOU THINKING OF CONSUMERS WHO OWN THE AIRWAVES OR THE GREED OF CORPORATIONS WE NEED DIVERSE OPINIONS FOR ALL ISSUES TO BE HEARD!

DON'T CHANGE THE LAW!

Dear Commissioner Adelstein,

Chairman Powell's proposal to increase consolidation - monopolization of the public airwaves both radio and T.V. is a thoroughly bad idea. We need greater diversity of news and opinion and not less. His proposal is antidemocratic and not in the interests of the American people. Please work for the interests of America and not the corporate world.

[illegible] CONCENTRATION OF MEDIA OWNERSHIP

Thank you very much for getting the word out re: media ownership concentration and democracy.

Without your efforts, and that [illegible] Pale Mayor [illegible], I never would have heard of [illegible] I appreciate your leadership [illegible] stopping this concentration of ownership [illegible] is totally anti democratic, as is Powell's [illegible] process. Thank you! Linda M Donaldson
