To Whom It May Concern:

This is a letter of clarification relating an original FCC Form 500 mailed on 9/18/2014 for the following:

Organization Name	Monterey County Office of Education, BEN 144091
Form 471	826185
Funding Request Number(s)	2375291, 2375300
Service Provider	Carousel Industries of North America, Inc., SPIN 143025324, FRN 2375291 K S Telecom, Inc., SPIN 143011131, FRN 2375300

Monterey County Office of Education respectfully requests that the SLD consider the original letter sent on 9/18/14 (Form Identifier: **MCOE500Y15**) as the original request and retroactively approve the Page 2A requests sent in to SLD that appear to have been inadvertently missed by the person who reviewed the Form.

We are resending the Form 500 (specifically for the Service Delivery Extension Request for FRN 2375291) in case this is needed (Form Identifier: **MCOE500Y15_04082015**).

Below is a timeline of the process that specifically pertains to the requested corrections for FRN 2375291.

09/18/2014 – Original Form 500 (Form Identifier: **MCOE500Y15**) was mailed to SLD Forms with pages 2A and 2B, including both Contract Expiration Date extension and Service Delivery Extension Request.

- This form included a Page 2A and Page 2B, however it would appear that Page 2A(containing contract expiration extension requests - FRNs 2375291, 2375300 - and a service delivery request - FRN 2375291)was not reviewed or processed, but Page 2B (containing a service delivery request for FRN 2375300)was, as that extension was approved on 12/18/2014.
- This Form was delivered September 23, 2014 (USPS Tracking Number: 9207190121230900000297)

12/18/2014 – The Service Delivery Extension Request for FRN 2375300 on Page 2B was processed and approved, however no action was taken on the three (3) items listed on Page 2A.

04/10/2015 – The Form 500(Form Identifier: **MCOE500Y15_04082015**) was mailed to USAC along with a similar letter as this explaining the oversight of page 2A on the Form 500 submitted on 9/18/2014.

08/27/2015 – The Form 500 submitted on 04/10/2015 was denied. See attached Administrator's Decision on Implementation Extension Request.

We respectfully request that the USAC review the original Form 500 (Form Identifier: **MCOE500Y15**) as the omission was not on the applicant's part, and approve as originally filed. Since no decision has been reached on the FRNs identified in this letter, we request that original deadline be extended until 9/30/2016.

Please feel free to contact me with any further questions. Thank you for your consideration.

Sincerely,
