To Whom it may Concern

I am a supporter of K-Love 90.3 in Grand Junction Co. It is such a great addition to the community. Bringing the word of our Lord and Savior to the airways with their great Christian music that reaches all ages.

If you were to take this signal away from K-Love what a big hole it would have in the hearts of young and old alike. All other stations have such low class material on their airways any good Christian would never tune into them. And besides we already have enough low class station on the airways.

I believe the service that K-Love brings to Grand Co. reaches the hearts of many lost souls. And God knows best how totaly awesome his word is to make a bad day one of Sunshine and hope for thousand's in This Valley. I for

One can tell you how important his word and the song's we hear on K-Love radio are. It changes the lives of thousand in the valley. With out K-Love we would have a hole as large as the one left by the Atomic Bomb.

So I pray you would take this into consideration when you are making your decisions

I also pray you have checked out K-Love and know that they support wholesome values and has positive and encouraging impact on many communities all across America.

And when my wife and I travel across the U.S. we can tune into K-Love and hear great Christian music & prayer. So please check this out before making your decision.

Thank you very much for hearing my opinion on this matter. It is very important to our City.
