Ladies and Gentlemen:

Immanuel Christian School's 4th grade is asking you to keep K-love on 89.5 in El Paso. We like it because it has songs about Gods love and we like that it has announcements about good things to do. I know all the songs on K-love. I hope you keep K-love on the air because its my favorite radio station.

Please I beg of you keep K-love on the radio! Please!

Sincerely
Jessica Potts

P.S. I'm listening to K-love right now. I listen to it at school every day.

Dear FCC,

I really like K-Love because it teaches people to know Jesus Christ the Son of God. I listen to it every day and I get to know Jesus a little better every day. If you listed to K-Love you could become a Christian if you believe and ask Jesus in your heart. If you believe you can also go to Heaven and spend eternity with God. I don't want you to take K-Love, then you would be taking God away from lives. I really hope you would not take K-Love off the air. If you listen to K-Love then I guess I'll see you in Heaven.

Dear FCC,

My family loves K-Love. I learn from it not to sin. K-Love lets people be taught to learn about God. One thing is when I first heard it I felt good in my heart. A lot of people will be saved by our Savior. My heart will break if I can not listen to K-Love. If you listen to it your heart will be filled with love.

Sincerely,

Dear FCC,

I like K-2 because it changes many lives. We don't want K-Love to be off the air. Think how many people have Jesus in their heart, if you go K-Love off the air you will not make money because alot of people won't listen to your music.

I hope we get K-Love back.

Sincerely,

Dear F.C.C.:

Please don't take K-Love off the air. It is good to know that there is a radio station that just sings praise to God. K-LOVE has the best Christian music. Please don't take K-LOVE off t[illegible]r because it is a chance to [illegible]eople know that they need Jesus in their hearts. If you take K-LOVE off the air, you will be taking a part of our lives away. I love listening to K-LOVE because it gets me

closer to God. Im sure that
other people don't want it off the air.
So please just don't take K-Love

Ladies and Gentlemen:

I think K-Love should stay on the air because it has brought many to Christ. Therefore, I think that you should let the people vote on whether or not K-Love stays on the air. Even the American Creed says "for the people and by the people". I also should bring up why the people couldn't vote when the Supreme Court dudes let abortion and gay marriages in. Let the people vote or give me death!
Have a nice day.

Dear F.C.C.:

Why do you have to cut K-Love off the air? You shouldn't. K-Love is a good radio station, and I like it alot. They play Christian songs because they want the people to know about God. I go to Immanuel Christian School, and I want the people to know more about God and that K-Love is a great station for people to know about. Don't take K-Love off the air. Immanuel loves

K-Love and doesn't want it to be off air. It's a Godly station and they play Godly song. Please! Don't take K-Love off the air.

Love,
Amanda Mateo
