To whom it may concern,

Sharon and Dale Severson want to speak up concerning cell phones on airplanes. Please for the sake of sanity do NOT allow this. This would end our flying and create great pain + discomfort. Many people are very rude as to use of cell phones. Please do not allow this!

No. of Copies rec'd 0
List ABCDE

Sincerely,

Dale Severson

Sharon Severson

The privilege to rest in quite peace sleeping flight is a MUST!
