17816 Red Oak Dr.
Hagerstown, Md. 21740

FEB 09 2004

Dear Chairman Powell:

I wish to offer my objection to the recent ruling giving more TV stations + radio stations into the hands of fewer owners.

The people own the airways. Not the industrialist. We as the people live in a Democracy, + the government, as servant of the people cannot take away the right we have to DIVERSE opinions.

Respectfully submitted,
Mrs. A. F. Eves
