To Whom it Might Concern:

PLEASE do not change Wisconsin's no-call law. I am over 80 years old and find it very difficult to keep chasing after unwanted calls. I pay for my phone service and these calls are abusing my privacy. Thank you.

Please let Wisconsin's No Call List law stand as written. It has given us, the consumers, relief from those unwanted calls & I don't want them back.

Dear FCC,

If you would like junk peddlers to call you at home, you can opt out of the no-call lists. Leave the rest of us in peace by **not** fiddling with Wisconsin's No-Call Law.

Please leave the Wisconsin no-call law alone. Please put consumers, not big telemarketers, first. We appreciate the no-call law.

Thank you.

Regarding the "Do Not Call Law" in Wisconsin

I wish to express my support for keeping this law strong in our state. I believe our state should have the ability to regulate calls by telemarketers both interstate and intrastate. As a Wisconsin citizen, I appreciate having a law that protects us from these intrusive calls.
