To WHom it may CONCERN: 05-235
I'm writing on Behalf of the PROPOSAL
ON 5WPM CW. To me and many
other CW OPERATOR in AMATEUR RADIO
Think the 5WPM should Be a Requirement
in testing, To me CW is the Foundation
to Amateur Radio Service
CW is my FAVORite mode
So why not Leave the stepping stone
there It is very important to many
People in today Services of Amateur
Radio

Thank You.
