to:
Office of the Secretary
FCC
445 12th St. N.W.
Washington, D.C. 20554

Subject: Docket # 03-123

Dear Sir:

I am 83 years of age and very hard of hearing. I can still use the phone with TTYs but know that the days are numbered. We need something better is I support the petition for captioned telephones as mandated by the FCC.

I am 100% behind the FCC in this effort

Thank you for your attention

Mark C Hargrave
