To the Federal Communications Commission,

This letter is in reference to the FCC Notice of Public rulemaking on "Video Franchises" (05-311).

I urge you not to discontinue the airing of Local Access television Programs. I am a producer with Access Pinellas our local station here in Pinellas county, Florida. My show, "Vintage Chic" focuses on the Art of Vintage clothing and jewelry. There are many other fine shows airing here, such as: "Nature's Miracles", "Acting for T-V", "Archaeology T-V", "Art from the Trenches", "Aging on the Suncoast" and on and on

Not only is our station a great community outreach, it is education. We must be able to communicate with people in our community. Not everybody has access to the Internet. Please do not silence our communications!

Yours truly,
Myron Keim
