NOTICE OF PROPOSED RULE MAKING

Adopted: October 11, 2000 **Released: October 20, 2000**

Comment Date: December 11, 2000
Reply Comment Date: December 26, 2000

By the Chief, Allocations Branch:

1. The Commission has before it the petition for rule making filed by M. Terry Carter and Douglas Sutton Jr, /dba/ Tugart Communications, a Georgia partnership. ("petitioner"), requesting the allotment of Channel 236A to Blairsville, GA as the community's first local aural transmission service. Petitioner states that it will apply for the channel, if allotted.

2. Petitioner states that Blairsville, an incorporated community located in Union County , Georgia has a 1990 U.S. Census population of 564 people. Blairsville, according to petitioner, has its own elected city government, a post office, fire and law enforcement protection and corporate city limits. Thus, petitioner concludes that Blairsville is deserving of its own local aural transmission service.

3. We believe petitioner's proposal warrants consideration since the allotment of Channel 236A could provide Blairsville with its first local aural transmission service. Channel 236A can be allotted to Blairsville in compliance with the Commission's minimum distance separation requirements with a site restriction of 9..9 kilometers (6.2 miles) north of the community.[1]

4. Accordingly, we seek comments on the proposed amendment of the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, for the community listed below, to read as follows:

[1] The coordinates for Channel 236A at Blairsville are 34-57-51 NL and 83-37-49 WL.

City	Channel No. Present	Channel No. Proposed
Blairsville, Georgia	--	236A

5. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

6. Interested parties may file comments on or before December 11, 2000 and reply comments on or before December 26, 2000 and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554. Additionally, a copy of such comments should be served on the petitioner, or its counsel or consultant, as follows:

7. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules. See Certification That Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules, 46 FR 11549, February 9, 1981.

8. For further information concerning this proceeding, contact Arthur D. Scrutchins, Mass Media Bureau, (202) 418-2180. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no ex parte presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An ex parte presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an ex parte presentation and shall not be

considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an ex parte presentation and shall not be considered in the proceeding.
