To Whom It May Concern:

I am filing this waiver on behalf of Golden Plains Unified School District. We are requesting an invoicing extension for the following FRN:

- FRN#: 1699070811
- 471 Application Number: 161033870
- Committed Amount \$53,568.00

The above FRN was approved and committed, however, Erate center had requested RAL Corrections by emailing the previous Director of Technology who left the district on November 2016 and his email account was disabled shortly after. As a result, I have not had the opportunity to receive/review and respond to the RAL Correction Request.

Please consider this waiver as a request for invoicing extension so that we may be able to utilize the approved FRN for our internet access invoicing

Please do not hesitate to contact me should you have any questions

Sincerely,

Mustafa "Moe" Zwebti

Director of Technology
