From:
Dan Benedette
35 Lower Confederate
Townsend, Montana 59644.

Dear Ms. Dortch.

I am writing to you today to express my support for the Wright petition of docket # 96-128. And urging you to help provide much needed relief to consumers or recipients of exhorbitant phone rates from prison phone services. It is apparent from these exhorbitant charges that a lack of free enterprise does not exist in prison phone services. Thank you for your consideration

Sincerely
Dan Benedette.
