~~ATTN: KEVIN~~ MARTIN: CHAIRMAN

Would you please do something about Cable TV.

I am paying approx. $60 per month for mostly trash.

We need Cable Choice. We do not mind paying extra for sports, animals, cooking, Disney & a few others.

Even the Basic Channel shows are degraded. Use your influence.

Please

Thank you

Anne

Mr. Kevin Martin (Chairman)

We are offended greatly by the sewage poured out weekly on Cable. Your voice carries weight with Cable bosses and members of Congress, I would appreciate the opportunity to be able to pay for only the Cable networks we watch or if not, please demand the Cable programs to hold to the decency rules as as broad cast Television.
