Re: Ex Parte Presentation in IB Docket Nos. 06-123 and 06-160

Pursuant to Section 1.1206 of the Commission's rules, 47 C.F.R. § 1.1206, EchoStar Satellite L.L.C. ("EchoStar") hereby submits this letter summarizing an ex parte presentation from yesterday in the above-referenced dockets. Kranti Kilaru, Linda Kinney and the undersigned met with Renee Crittendon of Commissioner Adelstein's Office to provide an overview of DBS technology, our satellite fleet, as well as ongoing Commission efforts to expand available spectrum resources for satellite providers, including the Reverse Band and Tweener proceedings. Our discussions were consistent with previous filings in the above-referenced proceedings, stressing that the DBS industry has been in need of additional capacity for direct-to-home satellite service for many years.

Respectfully submitted,

/s/ Bradley K Gillen
