Re: Ex Parte Notice: *Applications of T-Mobile US, Inc., and Sprint Corporation for Consent To Transfer Control of Licenses and Authorizations*, WT Docket No. 18-197

Dear Ms. Dortch:

On October 1, 2018, Maureen Jeffreys and Vernon Ross of Arnold & Porter, counsel for AT&T Services, Inc. (“AT&T”), had a telephone conference with Matthew J. Collins, Paul Lafontaine, Kat LoPiccolo, Charles Mathias, Thuy Tran, and Aleks Yankelevich from the FCC. During the call, we discussed the scope of and potential modifications to the data requests that the Wireless Telecommunications Bureau issued to AT&T on September 10, 2018 in the above-referenced proceeding. Consistent with the conversation, AT&T plans to submit responses on a rolling basis beginning this month and currently expects to complete the responses by mid-November.

In accordance with Section 1.1206 of the Commission’s rules, 47 C.F.R. § 1.1206, this letter is being filed electronically for inclusion in the public record.

Respectfully submitted,

Maureen R. Jeffreys
Counsel to AT&T Services, Inc.
