RE: Reference 63.71 of ComCast
Phone of Minnesota, LLC.

I object to the inconvenience of my phone number (home) to ComCast Digital Voice Charges As I do have the lowest offer now, with my LifeLine Service discount, at a price that I can afford, other Local Service Providers are too high!
Also - this impact of discontinuance upon myself would be too much and if I don't switch before Jan 10, 2008 I would lose my Service - including any inability to acquire reasonable Substitute Service (on a Limit income).

Thank You

Darlene Saboun
