PETITIONER's COMMENTS

Please accept these comments as restated below from Proponents original petition.

DISCUSSION

Petitioner respectfully submits that the public interest would be served by allocating Channel 255A to **Rison**, Arkansas, as that community's first aural broadcast transmission service. **Rison** is an incorporated city with a population in excess of 1,340 people. **Rison** has its own mayor, Jack Sipes, its own school system, the **Rison** Independent School District, its own post office, its own fire department, its own city hall and a number of local churches.

Should this petition be granted, and Channel 255A be allotted to **Rison**, Arkansas Petitioner will apply for Channel 255A, and after it is authorized, will promptly construct the new facility.

The information provided in these Comments is correct and true to the best of my knowledge.

Respectfully submitted,
