Gentlemen,

I'm writing to protest against the New Rules the FCC is going to pass on to Radio Stations

PLEASE: KEEP HANDS OFF THE RULES
KEEP AS IS

The radio station I listen to everyday, plays music of the 20's - 30's - 40 - 50's and 60's — 24 hours. All without commericals, poltical ads etc. Radio Stations owners don't need the added burden of paper work and restrictions. My particular radio station provides me with easy listening. I enjoy it! Love it!

Thank you for reading my letter. Please remember, always, the Radio Station Owner and the Listener.

04 - 233

PLEASE KEEP HANDS-OFF THE RULES - KEEP AS IS.

Sincerely
Olga Messier
