Re: FCC WC Docket No. 18-155

Please note that the copy of our 9/13/19 letter to the Office of Advocacy was not received or was lost in their mail screening process, based on our conversation with that Agency today. The SBA has therefore not had an opportunity to respond in this matter if they are inclined to do so. We have updated their contact information and provided all correspondence via the emails above and by overnight mail, signature required.

Respectfully Submitted,
