Connect America Fund; Developing a unified Intercarrier Compensation. WC Docket Nos. 10-90, 07-135, 05-337, 03-109; GN Docket No. 09-51; CC Docket Nos. 01-92, 96-45; FCC 11-13

To: Federal Communications Commission:

WE the undersigned are accorded as disabled by the Americans with Disabilities Act due to severe sensitivities to electromagnetics. WE can't USE Wireless technology because it MAKES us ill. WE depend on OUR Land Lines FOR our businesses & homes. There are at least 10 million people who absolutely depend on their Land Lines & can't USE wireless. Long term exposures from wireless HAVE never been proven safe FOR All people. & it would be criminal to take away OUR landlines.
