To Whom it may concern,

I am writing this letter in reference with the discontinuance of my phone service with open Range. A phone service and internet service that if you were to stop this service it would be a ~~disaster~~ very bad for me and my son whom are both ill. Because it wouldn't have any service for 911 calls. I can't get another provider because of my credit. I live in Ohio and i am a Viet Nam Veteran. So please don't discontinue this service.
