Re: Applications of T-Mobile US, Inc. and Sprint Corporation, WT Docket No. 18-197

Dear Ms. Dortch:

On behalf of the Lincoln Independent Business Association (LIBA), I am writing to express our support for the proposed merger between T-Mobile and Sprint.

LIBA's mission is to provide leadership and educational opportunities to the business community in Lincoln, Nebraska, and advocate for free enterprise. Our more than 1,400 members are representative of a diverse and growing Lincoln economy that is dependent on reliable and robust telecommunications.

Business success, job creation and economic growth have become intertwined with technology and technological advancement. A strong and healthy telecommunications sector is a critical component of these advancements and of future economic growth.

Thank you for the opportunity to comment on the T-Mobile-Sprint merger.

Sincerely,

Coby Mach
