Marlene H. Dortch, Secretary
Federal Communications Commission
445 12th Street, SW
Washington DC 20554

Dear Ms. Dortch:

On July 30, 2003, Kristen Verderame, Vice President US Regulation & Government Affairs, BT Americas Inc. ("BTA"), Sheba Chacko, Chief Regulatory Counsel for the Americas, Craig Rubin, Market Development Manager for BT Americas Inc. and Gordon Moir, Vice President Legal & Regulatory, BT plc met with Paul Margie of Commissioner Copp's office. The BT representatives compared the state of regulation in Europe versus the USA. They specifically compared access and broadband regulation in those service markets where a provider has market power, long run incremental cost-based pricing of wholesale inputs in service markets where an incumbent is dominant, and the need for nondiscrimination and transparency regarding a dominant provider's performance.

Pursuant to Sec. 1.1206(b)(2) of the Commission's rules, this letter is being filed electronically with the Office of the Secretary. If you have any questions, please contact the undersigned.

Respectfully submitted,

Linda J. Cicco
