RE: Federal Communication Commission Investigation On Prison Collect Phone Call Rates

Hello, my name is Quartney Sims & I'm also a victim of the outraggeous phone rates thats been charged against me. And I've been a victim for the past ten plus years. My first experience with making collect phone calls was in Cook County's Jail division 9 on december 18, 2002. This lasted for nearly nine years when I was release from prison June 1, 2011. I also has suffered from these expensive phone prices on several other occations when I was locked up on parole violations; February 17, 2012 - May 6, 2012, and again July 2, 2012 - September 28, 2012. Upon my release, I was arrested again nine days later (Oct. 7, 2012) & remained incarcerated to this very day. If you guys could help me ~~be~~ become reimburst for years of the phone company extreme expenses, I'll most definitely appreciate you guys help.

Sincerely yours,
Quartney Sims

P.S
I also been charged for dropped calls, when there was never a third party. I also been buying phone ~~calls~~ cards with the account on the card coming up short.
